PROFESSIONAL EXPERIENCE

Founder & CEO | 2024 – present |

DLVRAI | Dubai, UAE |

- Founded and lead an AI and automation company delivering custom, scalable solutions for business operations and customer experience.
- Manage business development, client communication, solution scoping, proposal preparation, statements of account, invoicing, and contractor coordination.
- Translate client needs into practical AI workflows, including voice/chat agents, CRM-supported automations, and process improvements.

Director | 2019 – Present |

Benkam Inc. / 204 Fuels | Winnipeg, MB |

- Support business operations, budgeting, resource allocation, policy implementation, and compliance with industry regulations.
- Coordinate marketing initiatives, operational priorities, vendor communication, and administrative processes for the company.
- Participate in executive decision-making and problem-solving to improve efficiency, accountability, and day-to-day performance.

Ramp Supervisor | 2021 – 2023 |

Alliance Ground International |Winnipeg Richardson International|

- Supervise ramp operations supporting WestJet flights, coordinating crews, equipment, assignments, and aircraft turnaround activity.
- Lead safety-focused briefings, coach team members, and reinforce standard operating procedures in a fast-paced airport environment.
- Balance workload, communication, equipment readiness, and operational priorities to support safe and on-time flight performance.

EDUCATION

Bachelors of Commerce, Marketing and Supply Chain Management

University of Manitoba

High School Diploma, High Honours

International Independent School, Amman, Jordan

EXTRACURRICULAR

VP External / VP Finance / VP Administration | Student Energy University of Manitoba Chapter (SEUM)

- Managed external relationships with campus groups, industry professionals, and other Student Energy chapters.
- Supported funding, outreach, event planning, budgeting, and chapter administration for student-led energy initiatives.
- Identified collaboration opportunities and helped organize chapter-led events open to the public.
